Prior to competing, each competitor will be required to nominate the age group under which he/she will be competing. He/she will then be confined to that age group for the duration of the carnival. In individual events where two or less starters are prepared to contest an event, those competitors may contest a lower age group in that event, without prejudice to their age category in other events. If there is no event listed at all for that particular age group, this also enables competitor/s to contest a lower age group in that event, without prejudice to their age category in other events

Competitors will not be able to compete if they have not registered.

Competitor entry in the 2007 Life Saving Victoria Masters championships is **\$18.10** per competitor, clubs will be invoiced following the competition.

## **A4 Medals**

Medals for the championships will be awarded for 1<sup>st</sup>, 2<sup>nd</sup> & 3<sup>rd</sup> placegetters.

### **Please note**

Events that have only 1 competitor, will not be eligible to receive a medal.  
Events will be added to the program if there are more than 4 people to compete.
