

Circular 06:01:07

To: Club Presidents Officials
Club Secretaries Summer Competition Team Managers

Cc: Aquatic Sports Executive Aquatic Sports Council

From: Chris Munro – Manager, Aquatic Sports

Date: 12 January 2007

Subject: **Mordialloc Senior Full Premiership Carnival 21 January 2007**

Action: **No Action Required**

Due to road closures existing along Beach Road until 11.00 am for a triathlon, Boat races will begin at 12.00 noon. Beach access for boats is via the Bay Street entrance.

All other events will begin at normal advertised times. However given the road closures, it is recommended (if possible) for clubs to drop off board and ski trailers on the Saturday afternoon / evening next to the Mordialloc club. Parking of trailers will be at **your own risk**, however there will be personnel staying at the club on the Saturday evening, to keep an eye on equipment.

If the above option is not possible parking is available in the side streets in Mordialloc without permits or at the car park on Owen Street. Clubs with then have to carry equipment across Beach Road during breaks in the triathlon.

Please find attached revised Program.

Please note – Inclusion of Open Male & Open Female 2km Beach Run

Notes:

1) Where an event has insufficient starters for heats, a straight out final will be immediately conducted in its place.

- 2) Beach sprints will be run as a round robin where there are only enough competitors for a straight final.
 - 3) Any Event may be combined in Gender and Age group in an endeavor to shorten the program.
 - 4) All Boat Grades to have 3 rounds of round robin racing, then followed with semi finals and final if necessary.
 - 5) In some cases, although races are combined gender, M may be given a 1 minute lead to prevent mixing at cans.
 - 6) Composite ski teams will be permitted. A random draw of those competitors interested in forming a team will be done prior to the first heat.
 - 7) Some races may commence even though the race prior is still at the cans.
- * No pennants will be awarded
