Location: Lorne SLSC  
Registration: 7:30 am  
Start time: 8:30 am

## **A2 Entries**

All competitors must be current financial and proficient members of Life Saving Victoria to enter events. Clubs this season will have the option to complete entries via the online entry system or via hard copy.

## **On-line Entries ONLY in 2010**

A number of changes have been made to the Interfuse system previously used for the Victorian Championships.

Team managers will be required to enter members electronically through the [www.lifesavingvictoria.com.au](http://www.lifesavingvictoria.com.au) website under the Aquatic Sports menu and by following the links under administration. Alternatively the site can be accessed via [www.registration.lifesavingvictoria.com.au](http://www.registration.lifesavingvictoria.com.au).

Team Managers must only obtain a username and password from the Manager of Aquatic Sports on 03 9676 6957 or by emailing [drew.urlichs@lifesavingvictoria.com.au](mailto:drew.urlichs@lifesavingvictoria.com.au). Interstate competitors must obtain an entry form from the Manager of Aquatic Sports.

Please read the instructions posted on the website on how to use the system.

Boat competitors can be entered via the following codes:

3263	120yrs combined (rowers) age Boat Race
3264	140yrs combined (rowers) age Boat Race
3265	160yrs combined (rowers) age Boat Race
3266	180yrs combined (rowers) age Boat Race
3267	200yrs combined (rowers) age Boat Race

Example entry - 101/Angels (Event code followed by team name)

## **A2 Registration**

Registration will take place from 7:30 am.

Prior to competing, each competitor will be required to nominate the age group under which he/she will be competing. They will then be confined to that age group for the duration of the carnival. In individual events where two or less starters are prepared to contest an event, those competitors may contest a lower age group in that event, without prejudice to their age category in other events. If there is no event listed at all for that particular age group, this also enables competitor/s to contest a lower age group in that event, without prejudice to their age category in other events

Competitors will not be able to compete if they have not registered.

## **A3 Entry Fees**

Competitor entry in the 2010 Life Saving Victoria Masters championships is \$25.00 per competitor. Clubs will be invoiced following the competition.

Late entries will be taken on the day charged at twice the competitor entry fee i.e. \$50.00. If anyone is found competing without being registered they will be charged four (4) times the entry fee.

## **A4 Medals**

Medals for the championships will be awarded for 1<sup>st</sup>, 2<sup>nd</sup> & 3<sup>rd</sup> placegetters.

Please note - Medals will only be given out if events have a minimum of four (4) competitors. Events will be added to the program if there are more than four (4) people to compete.

## **A5 Officials Requirements**

The following ratio of Officials per Competitor is to be used:

Clubs must provide 1 Official per 10 competitors e.g. 0-9 competitors = 0 Official, 10-19 competitors = 1 official, 20-29 competitors = 2 Officials etc.

If Clubs fail to supply Officials in the above ratio the clubs not complying will have their competitors banned from the day's competition.

Please Note - Team managers will be required to enter officials either via the online carnival entries system or hardcopy forms as per the ratio. Team managers will need to enter officials via the "000" code.

## **A6 Championship Results**
