---

30 years ago Victoria was competitive in all disciplines of Surf Lifesaving Competition. We have a very rich history of not only Australian Champions but also of innovative developments in our sport.

To improve Victoria's current position in competition and ensure we are competitive against other southern states such as New South Wales and Queensland we need to develop a strong coaching structure with experienced and committed coaches who are open to learning new processes and who are willing to work cooperatively with others in the field.

On Saturday 24 February at 11.00 am (at Torquay SLSC) and on Saturday 10 March at 11.00 am (at Warrnambool SLSC) we will be running coaching networking sessions where both qualified and beginner coaches, as well as interested parents, can get together to learn and discuss issues relevant to the coaching of junior athletes in our sport.

The days will involve a Q & A session with a panel of experienced coaches as well structured half hour (30 minutes) workshops plus the time to catch up with other coaches and find out what works with them.

The Networking Day will be facilitated by State Junior Head Coach, Chris Porter. For more information, please email Chris on [yld@lifesavingvictoria.com.au](mailto:yld@lifesavingvictoria.com.au)

**Cost: FREE!!!**

To assist with programming please complete and return the attached the registration form.
