

Circular 041:03:07

To: Club Presidents

Cc: LSV Board All Council Executives

From: Nigel Taylor, CEO

Date: 16 March 2007

Subject: 2007 President's Forum – Saturday 19 May 2007

Action: Mark the Date in Your Diaries

This year's President's Forum is to be held on Saturday 19 May 2007 at Life Saving Victoria's State Centre, 200 The Boulevard, Port Melbourne from 9.30 am – 5.30 pm. The formal program will be followed by a President's Dinner from 6.30 pm onwards – the ideal opportunity to socialise /network with fellow presidents.

Following the feedback from last year's forum the program will incorporate the following items:

- Come along and learn how to fundraise by conducting a Door Knock Appeal (Anglesea SLSC raised over \$25,000 earlier this year in their annual door knock!)
- Share the success stories and innovative program ideas with your peers
- Be motivated and enthused by our Guest Speaker
- Investigate the opportunities that a district/regional open water swim program could have in raising the profile of your own swim
- Be part of the launch of the Club Development Manual (a must have resource for all lifesaving clubs)
- Hear updates on YODA, Eguard, and what actually is in LSV's Business Plans
- Explore the possibilities of Regional President Forums with Board members in attendance
- Learn what Gen X and Gen Y really mean and their impact on member recruitment and retention
- All this, and more – and best of all the day's attendance is FREE!

Overnight accommodation will be available for regional attendees at the Sheraton Mirage Port Melbourne (aka LSV's bunk rooms) at a minimal cost.

Registration forms and further program details will be sent to all Presidents in early April, but make sure you write this date down in your diary now.
