From: Felicetta Di Monda - Project Officer, Education Services

Date: 30 March 2007

Subject: Training for LSV Education Program

Action: Register attendance by 11 April 2007

Life Saving Victoria is conducting a training and recruitment session for one of our Education Programs – *Resuscitate a Mate*.

The *Resuscitate a Mate* program equips upper primary and lower secondary students with the skills and knowledge to know what to do in an emergency situation and provides a general introduction to emergency management (DRABCD).

If you are interested in working for LSV and delivering *Resuscitate a Mate* to schools around Victoria, you will need to attend the training session on Wednesday, 18 April 2007 at LSV headquarters from 6.00 pm.

For further details see attached flyer.
