Life Saving Victoria endeavour to keep charges to clubs to a minimum. This is evidenced by award fees that have not been increased for at least three seasons. Unfortunately over this time costs incurred in processing awards and supporting club training have increased, necessitating an increase in club award fees for season 2010-11.

The new three tiered award fee structure as presented to the Lifesaving Operations Council and their Executive are as follows:

$11.50
Certificate only or Statement of Attainment only processing
Eg. IRB Crew, Spinal Management, SRC, Provide Training Through Instruction and Demonstration of Work Skills

$12.50
Certificate and Statement of Attainment processing
Eg. Advanced Resuscitation Techniques, Senior First Aid

$15.00
Medallion and Certificate or Medallion, Certificate and Statement of Attainment Processing
Eg. Bronze Medallion, Silver Medallion – Basic Beach Management, Silver Medallion – IRB Driver, Gold Medallion

These prices will be effective for awards processed as of Thursday, 1 July 2010.
