

Circular 088:08:08

To: Club Presidents
Club Secretaries
Chief Instructors
Patrol Captains

From: Felicetta Di Monda
Coordinator – Education Services

Date: 13 August 2008

Subject: Casual Education Staff Opportunities

Action: Please contact Education Services to register your attendance

Life Saving Victoria are recruiting new staff to conduct our Education programs over the upcoming 2008/2009 summer.

Staff have the opportunity to travel around the state teaching water safety to schools and community groups at a range of venues; from local beaches and classrooms, to rivers, lakes and dams.

This year, we are offering the opportunity for potential staff to gain their Training Officer Certificate (TAADEL301A – Provide training through instruction and demonstration of work skills), which is a qualification recognized to deliver training in the industry, and also credits towards Cert IV Training & Assessment.

Further information, including dates for the Recruitment and Training sessions, can be found of the flyer attached.

For additional detail on this Circular contact: Felicetta Di Monda, Coordinator – Education Services
