The Age Managers Course is a compulsory requirement for those delivering junior lifesaving programs from July 2006. SLSA introduced the course to ensure minimum standards of delivery across Australia. This course aims to equip Age Managers with the skills to assist our nippers in their growth towards future lifesavers. The course also assists Age Managers with an understanding of the SLSA Surf Education Program. An Age Managers Course will be held:

Cost: \$12.00 per participant (covers resources and accreditation)

Registration: please register on the Life Saving Victoria Website by following the links Youth > Age Managers Course.

Participants will be sent resources prior to attending training. Please complete the question sheets before attending the course.
