The 2009 Southern States Challenge will again be on Victorian waters in 2009. The development competition between Tasmania, South Australia and Victoria provides developing athletes with an opportunity to compete for their state and with athletes from other clubs in Victoria.

In 2009 Victoria will be entering two teams (evenly split) to compete against the other states. Therefore we are looking for team managers and coaches for each team.

Life Saving Victoria is looking for nominations for coaches and team managers for the 2009 teams. Appointment in these roles would require the following:

- Attendance at two team training sessions during December 2008
- Stay with team from Tuesday January 6 through to Thursday January 8 2009
- Current working with children check
- Victorian driving license
