Subject: **Position Available – General Manager, Lifesaving Club Development**

Action: **Applications close 5.00 pm, Friday 17 October, 2008**

Life Saving Victoria, established in 2002 is Victoria's peak Water Safety and Lifesaving organisation with a mission to prevent aquatic related death and injury across all Victorian communities. We strive to provide all Victorians with water safety, swimming, resuscitation, and safe beaches, water environments and aquatic venues.

We achieve this by working with our members, educational institutions, Governments, the Victorian community and other organisations in the provision of best practice education, training, surveillance and rescue, aquatic risk management services and lifesaving services.

Life Saving Victoria is seeking a General Manager – Lifesaving Club Development to join our energetic team. This person will be responsible for the delivery of a number of key Life Saving Victoria objectives, with a focus on strategic planning and business development for our lifesaving clubs and member services, while ensuring regular communication to all stakeholders.

Candidates applying for this role must be experienced in strategic and business planning and have sound knowledge of working with member groups and Government agencies, along with demonstrated abilities in human resource management, and strong written and verbal communication skills and proven senior management experience with budgets and financial reports

Relevant tertiary qualifications are desirable.

In return Life Saving Victoria will provide an attractive remuneration package and a fabulous work environment, office amenities and facilities.
