

Circular 133:10:07

To: Club Secretaries Club Captains
Club Lifesaving Managers
Club Powercraft Officers Club Gear Stewards

CC: LSOC Regional Officers LSOC District Officer
LSOC State Officers LSOC Council Delegates

From: Mark Scott - Director Lifesaving Services

Date: 9 October 2007

Subject: 2007/2008 Gear Inspection Manual

Action: Obtain Gear Inspection Manual from LSV Website or email Greg Scott to obtain a copy

After a lengthy review, the Life Saving Victoria gear inspections manuals for season 2007/08 have been finalised. The manuals are available online in PDF form on the LSV website at the following location:

<http://www.lifesavingvictoria.com.au/www/html/369-club-forms.asp>

There has been a complete overhaul of the Gear Inspection manual this year in order to accommodate feedback from members and inspectors received last season, and a result of the movement by the SLSA National Board of Lifesaving towards a standard National Gear Inspection Manual.

The documents attached will be reviewed and discussed at the February 2008 National Board of Lifesaving meeting with the intention being to have a national standard document in place prior to season 2008/09.

Please review the document and feel free to supply feedback to myself or to Greg Scott, Lifesaving Services Support Officer by phoning 9676 6935 or email greg.scott@lifesavingvictoria.com.au

For the time and date of your club Gear Inspection please refer to the circulars below or contact your regional Officer directly.
