After much anticipation SLSA have produced the new Surf Education Resource for all Age Managers to deliver on our Victorian beaches. The new program includes lesson plans for delivering activities from Surf Play (Under 6's) through to Surf Smart (Under 13's).

Over the winter the YIPs Implementation Guide has also been produced to provide clubs with guidance to start the program and conduct it over next 3-5 years.

LSV will be sending a hard copy of both the Surf Education Resource and the YIPs resource during November. However, if you would like to download additional resources or to access SLSA resources please visit the following web pages.
