Please be advised that Gold Medallion assessments (both new awards and proficiencies) may only be completed by Assessors who are provided specific endorsement by the Director of Training and Assessment and the General Manager – Education & Training.

Following a review of operational requirements and expressions of interest for endorsements from assessors, Gold Medallion Assessor endorsements have been issued to a number of Assessors. Additional accreditations may be issued, as operational needs develop, or as deemed appropriate.

For a current list of endorsed Gold Medallion Assessors please contact your District Officers.

Please note; Life Saving Victoria will not process any Gold Medallion new awards or proficiencies unless they are conducted and signed by an endorsed assessor, or by an assessor subsequently endorsed by the Director of Training and Assessment and the General Manager – Education & Training.
